NOW, THEREFORE, the County and the Commission, for and in consideration of the mutual promises and agreements herein contained, do agree as follows:

There is hereby created pursuant to the Law an agency and public entity to be known as the "San Mateo County Joint Powers Financing Authority." As provided in the Law, the Authority shall be a public entity separate from the County and the Commission. The debts, liabilities and obligations of the Authority shall not constitute debts, liabilities or obligations of the County or the Commission.

Within 30 days after the effective date of this Agreement or any amendment hereto, the Authority will cause a notice of this Agreement or amendment to be prepared and filed with the office of the Secretary of State of the State of California in the manner set forth in Section 6503.5 of the Law.

Members of the Board shall serve until resignation or death or until the Board of Supervisors shall appoint a successor. (5) The Auditor of the Authority is hereby authorized and directed to prepare or cause to be prepared:

(a) a special audit as required pursuant to Section 6505 of the Government Code of the State of California every year during the term of this Agreement; and

(b) a report in writing on the first day of July, October, January, and April of each year to the Board, the County and the Commission which report shall describe the amount of money held by the Treasurer of the Authority for the Board, the amount of receipts since the last such report, and the amount paid out since the first such report.

(6) The Board shall have the power to appoint such other officers and employees as it may deem necessary and to retain independent counsel, consultants and accountants.

#### SECTION 5. POWERS

The Authority shall have the power to cause the acquisition of Projects and to finance such Projects through the issuance of Bonds for the purposes set forth in Section 2 hereof, all in accordance with the Law.

The Authority shall have the power to cause the acquisition of real and personal property for the use of the County and to cause the design, acquisition and construction of public capital improvements for the use of the County and to finance such public capital improvements by entering into Leases, Contracts and other agreements with the County and assignment agreements, indentures, trust agreements and other agreements with corporate trustees providing for the issuance of Bonds to be paid from the payments to be made by the County under such

Leases, Contracts or other agreements, all in accordance with the Law.

The Authority is authorized, in its own name, to do all acts necessary for the exercise of said powers for said purposes, including but not limited to any or all of the following: to make and enter into contracts; to employ agents and employees; and to sue and be sued in its own name.

Such power shall be exercised subject only to such restrictions upon the manner of exercising such power as are imposed upon the County in the exercise of similar powers, as provided in Section 6509 of the Law, except, however, nothing herein shall limit the powers of the Authority under the Marks-Roos Local Bond Pooling Act of 1985.

Notwithstanding the foregoing, the Authority shall have any additional powers conferred under the Law, insofar as such additional powers may be necessary to accomplish the purposes set forth in Section 2 hereof.

#### SECTION 6. TERMINATION OF POWERS

The Authority shall continue to exercise the powers herein conferred upon it until the termination of this Agreement as provided in Section 3 or until the County and the Commission shall have mutually rescinded this Agreement; provided, however, that in no event shall this Agreement be terminated or rescinded while any Bonds of the Authority remain outstanding under the terms of the trust agreement or other instrument pursuant to which the Bonds are issued.

SECTION 7. FISCAL YEAR

Unless and until changed by resolution of the Board, the fiscal year of the Authority shall be the period from July 1 of each year to and including the following June 30, except for the first fiscal year which shall be the period from the date of this Agreement to the following June 30.

SECTION 8. DISPOSITION OF ASSETS

At the end of the term hereof or upon the earlier termination of this Agreement as set forth in Section 6 hereof, all assets of the Authority shall be distributed to the County, subject to the provisions of Section 9 hereof.

SECTION 9. CONTRIBUTIONS AND ADVANCES

Contributions or advances of public funds and of personnel, equipment or property may be made to the Authority by the County and the Commission for any of the purposes of this Agreement. Payment of public funds may be made to defray the cost of any such contribution. Any such advance shall be made subject to repayment, and shall be repaid, in the manner agreed upon by the County or the Commission, as the case may be, and the Authority at the time of making such advance. It is mutually understood and agreed that neither the County nor the Commission has any obligation to make advances or contributions to the Authority to provide for the costs and expenses of administration of the Authority, even though either may do so. The County or the Commission may allow the use of personnel, equipment or property in lieu of other contributions or advances to the Authority. After termination of this Agreement pursuant to

Section 3, any surplus money in possession of the Authority shall be returned to the County and the Commission in proportion to the unreimbursed contributions each has made.

SECTION 10. AGREEMENT NOT EXCLUSIVE

This Agreement shall not be exclusive and shall not be deemed to amend or alter the terms of other agreements between the County and the Commission, except as the terms of this Agreement may conflict therewith, in which case the terms of this Agreement shall prevail.

SECTION 11. ACCOUNTS AND REPORTS

The Authority shall establish and maintain such funds and accounts as may be required by good accounting practice. The books and records of the Authority shall be open to inspection at all reasonable times by the County and the Commission and their representatives. The Authority shall give an audited written report of all financial activities for each fiscal year to the County and to the Commission within 180 days after the close of each fiscal year.

So long as required by Section 6505.6 of the Government Code of the State of California, the Auditor of the Authority shall either make, or contract with a certified public accountant or public accountant to make, an annual audit of the accounts and records of the Authority. In each case the minimum requirements of the audit shall be those prescribed by the State Controller for special districts under Section 26909 of the Government Code of the State of California and shall conform to generally accepted auditing standards. When such an audit of an account

and records is made by a certified public accountant or public accountant, a report thereof shall be filed as public records with the County, the Commission and if required by Section 6505 of the Government Code of the State of California, with the Auditor-Controller of the County. Such report shall be filed within 180 days of the end of the fiscal year or years under examination.

Any costs of the audit, including contracts with, or employment of, certified public accountants or public accountants, in making an audit pursuant to this section shall be borne by the Authority and shall be a charge against any unencumbered funds of the Authority available for the purpose.

In any year the Authority may, by unanimous request of the Board, replace the annual special audit with an audit covering a two-year period.

SECTION 12. CONFLICT OF INTEREST CODE

The Authority, unless otherwise exempt, shall adopt a Conflict of Interest Code.

SECTION 13. BREACH

If default shall be made by the County or the Commission in any covenant contained in this Agreement, such default shall not excuse either the County or the Commission from fulfilling its obligations under this Agreement and the County and the Commission shall continue to be liable for the performance of all conditions herein contained. The County and the Commission hereby declare that this Agreement is entered into for the benefit of the Authority created hereby and the County

and the Commission hereby grant to the Authority the right to enforce by whatever lawful means the Authority deems appropriate all of the obligations of each of the parties hereunder. Each and all of the remedies given to the Authority hereunder or by any law now or hereafter enacted are cumulative and the exercise of one right or remedy shall not impair the right of the Authority to any or all other remedies. Nothing herein shall be construed to create any indebtedness of the County or the Commission and neither the tax revenue nor faith and credit of the County or the Commission are pledged or encumbered by this Agreement.

SECTION 14. SEVERABILITY

Should any part, term, or provision of this Agreement be decided by the courts to be illegal or in conflict with any law of the State of California, or otherwise be rendered unenforceable or ineffectual, the validity of the remaining parts, terms or provisions hereof shall not be affected thereby.

SECTION 15. SUCCESSORS; ASSIGNMENT

This Agreement shall be binding upon and shall inure to the benefit of the successors of the parties. Except to the extent expressly provided herein, neither party may assign any right or obligation hereunder without the consent of the other.

SECTION 16. AMENDMENT OF AGREEMENT

This Agreement may be amended by supplemental agreement executed by the County and the Commission at any time to provide for the financing of public capital improvements, working capital, liability and other insurance needs, or projects

whenever there are significant public benefits, as determined by the County and the Commission in accordance with the Law or for any other purpose; provided, however, that in no event shall this Agreement terminate while any Bonds of the Authority remain outstanding under the terms of the trust agreement or other instrument pursuant to which such Bonds are issued.

SECTION 17. FORM OF APPROVALS

Whenever an approval is required in this Agreement, unless the context specifies otherwise, it shall be given, in the case of the Commission, by resolution duly and regularly adopted by the members of the Commission, and, in the case of the County, by resolution duly and regularly adopted by the Board of Supervisors of the County, and, in the case of the Authority, by resolution duly and regularly adopted by the Board. Whenever in this Agreement any consent or approval is required, the same shall not be unreasonably withheld.

SECTION 18. WAIVER OF PERSONAL LIABILITY

No member, officer or employee of the Authority, the County or the Commission shall be individually or personally liable for any claims, losses, damages, costs, injury and liability of every kind, nature and description arising from the actions of the Authority or the actions undertaken pursuant to this Agreement, and the County shall defend such members, officers or employees against any such claims, losses, damages, costs, injury and liability.

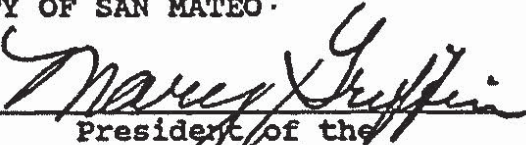

SECTION 19. SECTION HEADINGS

All section headings contained herein are for convenience of reference only and are not intended to define or limit the scope of any provision of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and attested by their proper officers thereunto duly authorized, and their official seals to be hereto affixed, as of the day and year first above written.
