Re: San Gregorio Creek Water Availability – Notice to 2nd Priority Water Users to Reduce Diversions

Dear Water User:

Due to the low flow condition of the San Gregorio Creek, this notice requests that you not divert water from the stream system for **3 days** of each week (until further notice), beginning Friday, August 28, 2009, according to your Point of Diversion Number, as set forth in the following schedule:

| <u>Point of Diversion Numbers</u> | <u>NO Diversions</u> <u>During Day of Week*</u> |
|--|--|
| #1 through #35 | Sundays, Tuesdays, and Thursdays |
| #36 through #70 | Mondays, Wednesdays, and Fridays |
| #71 through #105 | Tuesdays, Thursdays, and Saturdays |
| #106 through #140 | Wednesdays, Fridays, and Sundays |
| #141 through #175 | Thursdays, Saturdays, and Mondays |
| #176 through #210 | Fridays, Sundays, and Tuesdays |
| #211 through #245 and #1000 through #1003 | Saturdays, Mondays, and Wednesdays |

Your Point of Diversion Number(s) with 2nd Priority uses are shown on the attachment to this letter.

In the upcoming weeks and months, subsequent notices for further reductions in diversions may be necessary. Your cooperation and assistance are greatly appreciated. Please contact me if you have any questions or require additional information.

Sincerely,

Allan Richards
Stetson Engineers Inc.
Watermaster for San Gregorio Creek

* Note: Four of the largest irrigators in the lower portion of the watershed have been put on a specific rotation schedule, different than above, which also includes three days each of no diversions.
