Description of Work: _____

No grading is allowed during the wet weather season (October 1 through April 30), unless authorization is granted by the Community Development Director in advance of issuance of this hard card.

The project site is considered a Construction Stormwater Regulated Site (SWRS). Any authorized grading and/or ground disturbance activities conducted during the wet weather season (October 1 through April 30) will require monthly erosion and sediment control inspections by the Building Inspection Section, or weekly inspections if the project site is within the Fitzgerald Area of Special Biological Significance (ASBS). Any violations must be corrected within 10 business days of Notice by the County.

I hereby acknowledge that I have read this application and agree to comply with all applicable ordinances and regulations pertaining to this permit. Furthermore, I certify that the information provided is true and correct to the best of my knowledge and belief and that it is my responsibility to notify the county of any changes to this information.
